

FOREIGN CURRENCY EXCHANGE

COMPETITIVE EXCHANGE RATES. SEAMLESS
INTERNATIONAL TRANSFERS. PERSONALISED SERVICE.

MAKING INTERNATIONAL PAYMENTS SIMPLER

Whether you are purchasing property overseas, transferring personal funds or managing international business payments, foreign exchange plays an important role in the overall cost of your transaction.

Through our partnership with **Agility Forex UK Ltd.**, Hunt & Harris Real Estate helps clients access professional foreign exchange services designed to make international transfers more straightforward, efficient and cost-effective.

Combining market expertise, advanced technology and personalised support, Agility Forex offers competitive exchange rates and transparent pricing as an alternative to traditional bank transfer services.

FOREIGN EXCHANGE SOLUTIONS TAILORED TO YOUR NEEDS

Whether you need to make a one-off payment or manage regular international transactions, specialist foreign exchange services can help you plan with greater confidence. Experienced currency specialists provide guidance on exchange rate movements and available solutions to help clients manage their international payment requirements.

Key benefits include:

- **Competitive Exchange Rates:** Access competitive rates for international currency transfers.
- **Spot and Forward Contracts:** Explore options for immediate currency exchange or agreeing on a rate for a future transaction, subject to applicable terms.
- **Regular Monthly Payments:** Arrange recurring international transfers for personal or business commitments.
- **Market Insights and Rate Updates:** Stay informed about currency movements that may affect your transactions.
- **Trackable International Payments:** Benefit from payment references and tracking information.
- **SWIFT Payment Confirmations:** Access confirmations for eligible international transfers.
- **Transparent Pricing:** Inclusive exchange rates with no additional handling or telegraphic transfer (TT) fees, subject to agreed service terms.

Supporting Property Buyers and Businesses

For clients purchasing property overseas, transferring funds between countries or managing business payments, exchange rate fluctuations can affect the final amount received. Access to competitive rates and specialist guidance can help make the process more manageable.

From property-related transfers to overseas supplier payments and recurring international commitments, our foreign exchange partner can help clients explore suitable options based on their currencies, payment deadlines and individual requirements.

How to Get Started

1. **Contact our team** to discuss your currency exchange or international payment needs.
2. **Explore your options** with our foreign exchange partner, including available rates, transfer services and applicable charges.
3. **Confirm your transaction** after reviewing the agreed exchange rate, terms and payment details.
4. **Track your transfer** using the available payment references and tracking information.

Service availability, transfer times and charges depend on the provider's terms and the details of each transaction.
